

Managing Stormwater Locally

A Workshop for Municipal Officials

Workshop Partners

Dauphin County Conservation District, Dauphin County Planning Commission, New Baldwin Corridor Coalition, Paxton Creek Watershed and Education Association, Susquehanna River Basin Commission, Tri-County Planning Commission

What: The partners are pleased to host the *Managing Stormwater Locally* workshop for municipal officials. Participants will learn about stormwater management planning and how it is helping communities manage nonpoint source pollution and improve the quality of their water resources. Workshop topics will include:

- **Treating Stormwater as a Resource**
- **Understanding the Regulatory Framework**
- **Developing Stormwater Plans**
- **Addressing Legal and Financial Challenges**

The workshop includes a plenary session and concurrent sessions in the morning and options for field trips or an informal dialogue session in the afternoon. The workshop partners have secured speakers representing the U.S. Environmental Protection Agency, Pennsylvania Department of Environmental Protection, local municipal governments, nonprofits and other stormwater experts.

Please join us to learn from and network with experts in the stormwater management arena.

Date: Wednesday, October 29, 2008, 8:00 a.m. to 4:00 p.m.

Time: 8:00 a.m. to 4:00 p.m.

Where: C. Tedd Lick Wildwood Conference Center
Harrisburg Area Community College (HACC)
One HACC Drive, Harrisburg, PA 17110

Fee: \$25 per participant
Participants will receive workshop materials, morning continental treats, lunch, breaks with snacks, and transportation to and back from field trips.

RSVP: **By October 15, 2008**

See next page for workshop agenda and registration information
